

**Crossroads
Crash Course
for
Career Transition
May 2021**

In response to COVID-19, the Crash Course is now offered live ONLINE!

What is the Crash Course? Step-by-step, this class will help guide you how to find a job if you are unemployed, anticipating a career transition or unfulfilled in your present job. Sponsored by North Atlanta Crossroads, a 501(c)(4) non-profit group, our team of volunteers includes business and career ministry leaders from Atlanta area churches. The **Crash Course for Career Transition** is based upon the "7-Step Workbook" developed by Crossroads Career Network. Since 2010, we have held over 80 classes with more than 1200 attending! Our class has even been compared to much more expensive training offered by outplacement services.

When does the class meet? Our class includes an online orientation session and 6 live online sessions. Participants should attend all sessions. Seats are limited. The schedule for this class is:

May 06	Thursday	6-7 PM EST	Orientation and Introduction
May 10	Monday	6-8 PM EST	Attitude-What Lies Ahead
May 12	Wednesday	6-8 PM EST	Aptitude-Discover/Develop Strengths

Who teaches the class? We have a team of expert facilitators; experienced business leaders, human resources professionals and others serving as career ministry program leaders at churches in Atlanta, who volunteer their time and energy to help others learn the most effective ways to search for new career opportunities! Find more information about our program and to register, see our website:
